Melancthon Township Council
157101 Highway 10
Melancthon, ON L9V 2E6

Dear Mayor White and Members of Council,

On behalf of the North of 89 Alliance, I am writing to request your support for our work in the North Dufferin community.

The North of 89 Alliance is a grassroots, volunteer-run, non-profit organization made up of residents from Melancthon and Mulmur. Our mission is to create opportunities, provide support, and enhance the quality of life for residents of North Dufferin. We are proud to be the only non-profit in the region that works exclusively for North Dufferin residents. We are good people, doing good things.

We are asking the Township of Melancthon to consider a donation of \$5,000 annually for the next three years. This funding will directly support our fundraising initiatives and programs, some of the programs we wish to support are:

- Honeywood arena and the building revitalization project
- Assisting with school breakfast programs and addressing food insecurity
- Providing support to seniors in our community

Your contribution will make a significant difference in strengthening our community and ensuring that important resources and programs remain accessible to those who need them most.

We would be honoured to partner with Melancthon Township in building a stronger, healthier, and more connected North Dufferin.

THE NORTH OF
89 ALLIANCE
GOOD PEOPLE DOING GOOD THINGS

Thank you for your consideration of our request. We welcome the opportunity to discuss this further and to share more about our vision and ongoing projects.

Sincerely,

Beckie Connell
